

Aficio™ SP 1000SF

The compact **all-in-one**  
office partner

**RICOH**

# High speed faxing for small to mid-sized workgroups

Printing files, making copies and scanning documents, they are all part of your daily office tasks. What would you say to reducing the time they take and clearing office space as well? Ricoh's Aficio™SP 1000sf is your answer. A wealth of intelligent capabilities in a remarkably compact package that you can place near your desktop. Offering full multifunctionality, the Aficio™SP 1000sf swiftly takes care of your fax demands too. There is no need to settle for anything less; the Aficio™SP 1000sf is set to take on any office challenge!

## High Productivity

Enhance your productivity with fast print and copy speeds. The SP 1000sf omits waiting time: your first print is out in 13 seconds, while it continues at a speedy 16 pages per minute. Larger copy jobs are handled quickly, thanks to the SP 1000sf's 50-sheet Auto Document Feeder.

## Advanced Colour Scanning

Digitise documents and non-standard originals to efficiently organise all of your information. With the SP 1000sf's colour scan capabilities, you save time and space while reducing archive problems. Digitising books and magazines is just as easy; they can be scanned directly from the platen glass.

## Straightforward Maintenance

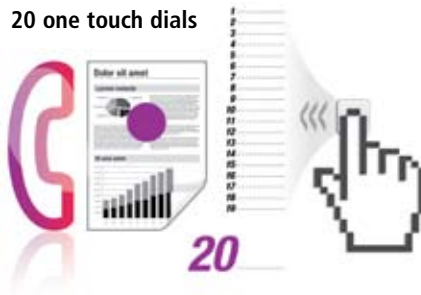

Still think feature-packed office devices are complicated to maintain? The Aficio™SP 1000sf proves otherwise. No need to study complex user manuals or have extensive technical knowledge. Maintaining this device is effortless thanks to its all-in-one cartridge that is easy to replace.

## Business Class Faxing

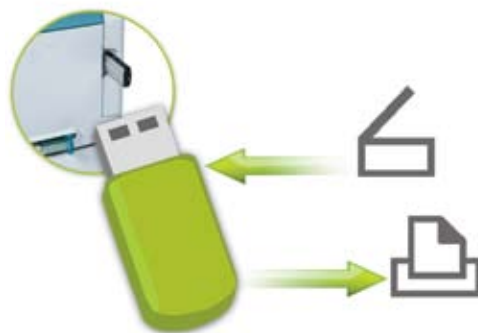

- meet your needs through standard G3 faxing
- transmit messages in 2.5 seconds
- fax larger jobs using the 50-sheet Auto Document Feeder (ADF)
- use the handy one-touch dial on the operation panel for 20 locations
- speed up the fax workflow with 250 speed dials and 32 group dials

## Compact & Easy to Use

Thanks to its space saving dimensions, the SP 1000sf can conveniently sit near your desktop, saving valuable office space. Installation is straightforward and you can immediately access all functionalities using the intuitive control panel. Supplies and paper can easily be handled from the front of the device, so anyone can operate these all-in-one performers!

## Direct Printing from and scanning to USB Devices

Saving your documents on USB memory devices makes them instantly mobile and extremely easy to handle. The SP 1000sf further optimises this dynamic workflow with its USB port, which enables you to print and scan directly from your USB memory device. As soon as you upload the scanned data, you can take it with you – it is that easy.

## Multitask & Save Costs

Being able to handle all your document needs from one device enables you to work more efficiently. While saving the costs of purchasing and maintaining multiple systems, you also make sure all functionalities are within your reach. With the SP 1000sf you can benefit from a variety of capabilities and increase your office productivity at the same time!

## Environmentally friendly printing

Like all Ricoh products, the Aficio™ SP 1000sf reflects Ricoh's commitment to the environment, through the use of toxic free materials\* and low power consumption (energy saver mode).

\* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).
