

Aficio™ MP 2500

Speed and Performance

at an affordable price

RICOH

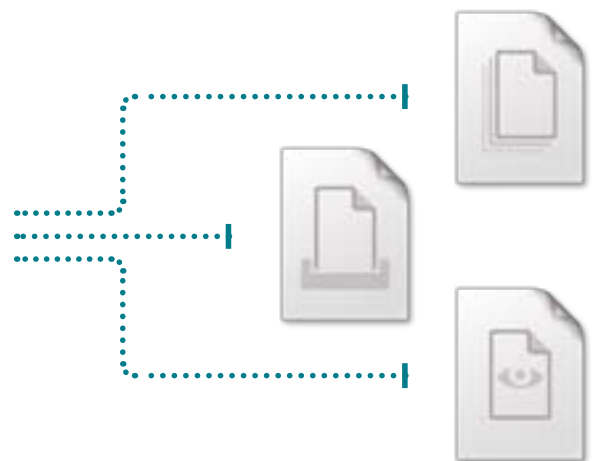

The exact office support you need

Meet your current and future needs

Optimise your workflow, increase productivity and cut costs. With Ricoh's Aficio™MP 2500 you have the tools at hand to tackle all your office demands. This straight-forward solution can serve as the main device in small offices or as a workgroup device in mid to large sized offices. With 25 pages per minute the MP2500 takes care of your black and white copy needs and document distribution functionalities. A smooth, professional and cost efficient workflow is within reach!

Key Features

- Standard A3 & duplex copy
- Easy to use and maintain
- Optional finishing
- Optional network printing & scanning
- Advanced distribution & security
- Optional fax

The right tools to optimise your workflow

With the flexible Aficio™MP 2500 you have all the tools at hand to efficiently handle your daily office tasks. Combining multiple functionalities to streamline your workflow, this device assists you in reaching your goals.

High office productivity

Are you ready for a productivity boost? With a short warm-up time, the MP 2500 is instantly available. At 25 pages per minute, your output is ready before you know it. You won't waste time with continuous refills thanks to the standard 1,100-sheet paper capacity and the optional 500-sheet paper trays.

Professional paper handling

- Separate print and copy output with the optional one-bin tray.
- Easily copy and scan multi-page documents via the handy 50-sheet ARDF.
- Copy onto paper of up to 157 g/m² using the standard 100-sheet bypass tray.
- Choose from different stapling positions and automatically staple your documents with the optional 500-sheet finisher.
- No need to reduce large originals: copy or print them directly onto A3.

Cost saving duplexing

Reduce your paper costs by creating duplex output at simplex speed. The standard duplex is even more productive when combined with the optional Automatic Reverse Document Feeder which facilitates feeding up to 50 originals, single- or double-sided.

Efficient distribution

Distributing, organising and archiving your information is fast and easy thanks to the optional scan capabilities. You can send scanned files by e-mail or transmit them directly to your PC, a dedicated network folder, an FTP server, etc.

Intelligent faxing

- Deal swiftly with light to heavy fax traffic thanks to the 33.6 Kbps modem speed.
- Optimise your efficiency and forward inbound faxes to a single person or an entire workgroup via email.*
- Save time and provide better output quality at the receiving end by sending fax messages directly from your PC (LAN fax).*
- Save money by faxing via email or IP address

* Requires fax & print/scan option

High tech security

Information security has become a priority for many organisations. Therefore, the Aficio™MP 2500 adequately safeguards access and protects your valuable information. The security measures include various types of authentication, data encryption and IP filtering.

Compact and easy to use

The MP 2500 is designed for maximum user friendliness. At the touch of a finger, the straightforward icon based operation panel guides you through any job. Paper and toner are replenished in no time thanks to the device's full front accessibility and easy handling paper trays.

Committed to our earth

Like all Ricoh products, the MP 2500 reflects Ricoh's commitment to the environment through:

- The usage of toxic free materials*.
- Standard paper saving duplex capability.
- Extremely low power consumption.
- Clean and quiet operation.

* In compliance with EU RoHS directive
(RoHS: Restriction of Hazardous Substances, July 2006).

Multitasking at the heart of your office

Opt for smart, leading-edge copying

Whether you quickly need a single A4 copy or a number of A3 sets, this device makes everyday copying a breeze! What's more, the MP 2500 is ready to grow with your business. To meet your future needs, it comes with upgrade possibilities to expand your copying device into a lightweight or full-blown multifunctional performer.

Go for the all-in-one solution

The optional fax and print/scan controllers let you get a firm grip on all aspects of your office tasks. Boasting complete multifunctionality including advanced copy, print and scan capabilities as well as excellent network connectivity and security features. Sharing information is easy: directly send your scanned documents to any e-mail address or dedicated network folder. For your professional business communications, you can optionally add a range of sophisticated fax functions like Internet Fax, IP Fax and LAN Fax. To top it off, the MP 2500 can be remotely managed and monitored through user friendly utility programmes such as SmartDeviceMonitor™ and Web Image Monitor.

Combining high productivity with exceptional ease of use, the Aficio™ MP 2500 is designed to perfectly handle your office communications. This speedy, digital device unites the leading-edge strengths Ricoh stands for: easy operation and maintenance, proven reliability and quality, and a solid return on investment. To provide an adequate answer to varying demands, these office hubs are available in three configurations.

- All-in-one office productivity.
- Advanced distribution & security.
- Easy to use and maintain.

Specifications

Copier

Copying process:	Laserbeam scanning/markings and electro photographic printing Dry, dual component toner development
Copy speed:	25 copies per minute
Resolution:	600 dpi
Multiple copy:	Up to 99
Warm up time:	Less than 10 seconds
First output speed:	Less than 6.0 seconds
Zoom:	50 - 200% (in 1% steps)
Memory:	
Standard:	16 MB
Maximum:	384MB
Paper input capacity:	
Standard:	2 x 500-sheet trays 100-sheet bypass tray
Maximum:	2,100 sheets
Paper output capacity:	
Minimum:	250 sheets
Maximum:	725 sheets
Paper size:	A6 - A3
Paper weight:	
Paper tray 1:	60 - 105 g/m ²
Paper tray 2:	52 - 157 g/m ²
Bypass tray:	52 - 157 g/m ²
Duplex tray:	60 - 105 g/m ²
Duplexing:	Standard
Dimensions (W x D x H):	650 x 604 x 890 mm
Weight:	Less than 55 kg
Power source:	220 - 240 V, 50/60 Hz
Power consumption:	Operation: Less than 1.45 kW

Printer/Scanner (Optional)

Print speed:	25 prints per minute
Printer language/resolution:	
Standard:	PCL5e, PCL6, RPCS™: 600 x 600 dpi
Option:	Adobe® PostScript® 3™: 600 x 600 dpi
Interface:	
Standard:	USB 2.0 Ethernet 10 base-T/100 base-TX
Option:	Wireless LAN (802.11b) Bi-directional IEEE 1284 Bluetooth
Network protocol:	TCP/IP, IPX/SPX, AppleTalk, SMB
Supported environments:	Windows® 98/NT4.0/2000/Me/XP/Server 2003

Scanner (Optional)

Resolution:	Maximum 600 dpi
Original size:	Maximum A3
Output formats:	PDF/TIFF
Bundled drivers ¹ :	Network, TWAIN
Scan to e-mail ¹ :	SMTP, TCP/IP
Destination addresses ¹ :	Maximum 100 per job
Stored destination addresses ¹ :	Maximum 150
Address book ¹ :	Via LDAP
Scan to folder ¹ :	Via SMB/NCP or FTP protocol
Destination ¹ :	Maximum 32 folders per job

Software

- SmartDeviceMonitor™
- Web SmartDeviceMonitor™¹
- DeskTopBinder™ Lite¹
- Web Image Monitor
- @Remote Service (optional)

Fax (Optional)

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3, T.37, T.38
Modem speed:	Maximum 33.6 Kbps
Resolution:	200 x 100/200 dpi
Compression method:	MH, MR, MMR, JBIG
Scanning speed:	0.8 second (200 x 200 dpi, A4, SEF)
Memory capacity:	4 MB
Memory backup:	Yes

Other Options

- Platen cover
- 50-sheet Auto Reverse Document Feeder
- 2 x 500-sheet paper trays
- One bin tray - 100-sheet
- 500-sheet finisher
- Bridge unit
- Counter interface
- Console

¹ Bundled with printer/scanner.
